## NEW AUTHORISED US DISTRIBUTOR

RCV are pleased to announce the appointment of a new distributor for  
Canada & USA - **Kondor Model Products**.

Kondor Model Products (KMP) has bases in both the US and Canada and over the past few years have built up a strong reputation for their high quality ARTF kits. KMP pride themselves on a high level of customer service and are committed to supporting dealers, making them an ideal partner for RCV's expansion in the USA.

As an authorised RCV distributor, KMP will now be able to supply both dealers and direct customers with our unique range of engines.

RCV believes that both our dealers & direct customers will benefit from dealing directly with KMP as not only will they be able to use KMP's toll free number **1-888-968-7251**, they will also be able to take advantage of postage savings.

Customers who still wish to deal directly with our UK factory are welcome to do so if preferred. BJ's Model Engine service in CT, USA will remain RCV's official Service Centre.

1224 Amber Dr,  
Thunder Bay, ON, P7B 6M5  
Canada
