## **Purchasing**

You can purchase RCV engines through a number of sources:

- Through your local hobby shop (if they don't already stock, ask them)
- direct from RCV Engines Ltd, UK
- Direct from KMP (Canada & USA distributors) - [www.kmp.ca](http://www.kmp.ca)

For more information on RCV dealers & distributors (including those offering mailorder) please see our dealer listing on the RCV website **[www.rcvengines.com](http://www.rcvengines.com)**

## **Spares and Accessories**

The RCV engine has few parts and built in reliability. Any spares which may be required can be purchased at a **low cost**. For details of spares available, please refer to our website or contact RCV. They are available through our online shop or via our US service centre.

### **Purchasing Direct from RCV Engines Ltd**

#### **Delivery, Shipping & Handling\***

Shipping and Handling on all engine purchases are as follows:

UK	£6	USA & Canada	\$25
Europe (EU)	£12	Europe (non EU)	\$25
		Rest of World	\$40

#### **Payment Terms:**

1. All direct orders can be accepted by fax, phone, letter or through our online catalogue (100% secure encrypted catalogue).
2. Orders and payment are accepted in both GB£ or US\$, either by cheque or credit card (Visa, Master Card & Maestro accepted). Bank transfers can also be accepted upon request.
3. Payments are deducted at time of despatch.
4. RCV reserves the right to alter any prices or specifications without notification. Customers will be informed of any price changes at time of order.

#### **Shipping Terms and Conditions:**

1. We ship door to door by UPS (insured air courier) direct to all of our customers. Tracking is available on all shipments.
2. We aim to deliver all engines ex-stock, however where this is not possible we will advise you before we process your order.
3. \* Please note that whilst we strive to sustain these costs, certain areas may be subject to an additional extended area surcharge. If this is the case we will inform you before the order is processed.
4. Customs charges, taxes or duty are not included in the RCV prices. To find out if any charges apply contact your local customs office quoting model aero-engine commodity code: 8408 90 3100
